II. Scope of Work

A. INTRODUCTION

Lesbian, gay, bisexual, transgender and questioning and other gender identities (LGBTQ+) individuals and families are considered one of the most vulnerable and marginalized communities in the United States. Many experience multiple levels of stress due to constant subtle or covert acts of homophobia, biphobia and transphobia against them, putting them at high risk for Serious Mental Illness (SMI) or Serious Emotional Disturbance (SED). In particular, LGBTQ+ youth are especially vulnerable with higher rates of victimization, of having a mental health disorder, higher rates of homelessness and suicide. LGBTQ+ adults are also at higher risk of depression and isolation from family and other social supports. Transgender persons remain the most vulnerable, experiencing the highest rates of assaults, violence and discrimination compared to lesbians and gays. Intersectional identities and barriers along with stigma impact access to mainstream services for this population. The San Mateo County LGBTQ+ Behavioral Health Coordinated Services Center services will provide a collaborative approach to culturally responsive services to address the challenges presented by high-risk mental health challenges among LGBTQ+ youth, older adults, transgender and gender non-conforming.

B. SCOPE OF SERVICE

This Request for Proposals (RFP) aims to fund an LGBTQ+ Behavioral Health Coordinated Services Center designed to provide a place for a wide range of behavioral health-focused services for LGBTQ+ individuals, at high risk for Serious Mental Illness (SMI) and/or Serious Emotional Disturbance (SED), in San Mateo County. Its overall purpose is to improve the quality of life and address the multiple barriers the LGBTQ+ population and families face in seeking behavioral health care, and specifically improve access and linkages to behavioral health services. The LGBTQ+ Behavioral Health Coordinated Services Center will be operated through a collaboration of agencies that have demonstrated knowledge and expertise in serving these populations and can provide a broad range of services (such as SMI/SED treatment, counseling and crisis intervention, case management, vocational and peer support services) to LGBTQ+ communities within the SMC. The proposal will include a physical location/space where groups, events, and other LGBTQ+ related activities will be held. The proposed center will feature the coordination of three (3) main components: (a) social and community engagement, (b) clinical services and (c) training resource.

1. Services shall be provided through a collaboration of agencies that include youth, transition age youth, adult and older adult perspectives and focus.
 - a. Each agency will assume responsibility for unique programmatic functions and coordinate closely with one another to ensure a spectrum of needs are attended to.

 - c. Offer culturally responsive services and supports provided at times/days (including weekends) that would best meet the needs of the community, including offering services to other parts of the County as needed.
 5. Services will be provided through the coordination of three main components: (a) social and community engagement, (b) clinical services and (c) training resource to develop the capacity of behavioral health providers.

2. Services to be performed by Contractor

In consideration of the payments set forth in this Agreement and in Exhibit B, Contractor shall perform services for County in accordance with the terms, conditions, and specifications set forth in this Agreement and in Exhibit A.

3. Payments

In consideration of the services provided by Contractor in accordance with all terms, conditions, and specifications set forth in this Agreement and in Exhibit A, County shall

make payment to Contractor based on the rates and in the manner specified in Exhibit B. County reserves the right to withhold payment if County determines that the quantity or quality of the work performed is unacceptable. In no event shall County's total fiscal obligation under this Agreement exceed DOLLARS (\$___). In the event that the County makes any advance payments, Contractor agrees to refund any amounts in excess of the amount owed by the County at the time of contract termination or expiration. Contractor is not entitled to payment for work not performed as required by this agreement.

4. Term

Subject to compliance with all terms and conditions, the term of this Agreement shall be from July 1, 2016 through June 30, 2017.

5. Termination

This Agreement may be terminated by Contractor or by the Chief of the Health System or his/her designee at any time without a requirement of good cause upon thirty (30) days' advance written notice to the other party. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that prorated portion of the full payment determined by comparing the work/services actually completed to the work/services required by the Agreement.

County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon the unavailability of Federal, State, or County funds by providing written notice to Contractor as soon as is reasonably possible after County learns of said unavailability of outside funding.

County may terminate this Agreement for cause. In order to terminate for cause, County must first give Contractor notice of the alleged breach. Contractor shall have five business days after receipt of such notice to respond and a total of ten calendar days after receipt of such notice to cure the alleged breach. If Contractor fails to cure the breach within this period, County may immediately terminate this Agreement without further action. The option available in this paragraph is separate from the ability to terminate without cause with appropriate notice described above. In the event that County provides notice of an alleged breach pursuant to this section, County may, in extreme circumstances, immediately suspend performance of services and payment under this Agreement pending the resolution of the process described in this paragraph. County has sole discretion to determine what constitutes an extreme circumstance for purposes of this paragraph, and County shall use reasonable judgment in making that determination.

At the end of this Agreement, or in the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and other written materials (collectively referred to as “contract materials”) prepared by Contractor under this Agreement shall become the property of County and shall be promptly delivered to County. Upon termination, Contractor may make and retain a copy of such contract materials if permitted by law.

7. Relationship of Parties

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

8. Hold Harmless

a. General Hold Harmless

Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

(A) injuries to or death of any person, including Contractor or its employees/officers/agents;

(B) damage to any property of any kind whatsoever and to whomsoever belonging;

(C) any sanctions, penalties, or claims of damages resulting from Contractor’s failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or

(D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor’s duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

b. Intellectual Property Indemnification *(You may delete entire IP Indemnification section if not relevant – County Counsel review is not required if section is deleted)*

Contractor hereby certifies that it owns, controls, and/or licenses and retains all right, title, and/or interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and/or other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as “IP Rights”) except as otherwise noted by this Agreement.

Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party’s IP Rights provided any such right is enforceable in the United States. Contractor’s duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor’s expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County’s prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County’s prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor’s opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County’s reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor’s option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non-infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

9. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

10. Insurance

a. General Requirements

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

b. Workers' Compensation and Employer's Liability Insurance

Contractor shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions

of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

c. Liability Insurance

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor’s operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

- (a) Comprehensive General Liability... \$1,000,000
- (b) Motor Vehicle Liability Insurance... \$1,000,000
- (c) Professional Liability..... \$1,000,000

You may delete (b) or (c) text if those insurance types are not relevant to your contract – County Counsel review is not required if one or both of those lines are deleted. However, if you are unsure about insurance requirements for your contract – call Risk Management before your contract is executed)

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

11. Compliance With Laws

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws,

ordinances, and regulations, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.

Further, Contractor certifies that it and all of its subcontractors will adhere to all applicable provisions of Chapter 4.106 of the San Mateo County Ordinance Code, which regulates the use of disposable food service ware. Accordingly, Contractor shall not use any non-recyclable plastic disposable food service ware when providing prepared food on property owned or leased by the County and instead shall use biodegradable, compostable, reusable, or recyclable plastic food service ware on property owned or leased by the County. *(This paragraph may be deleted without County Counsel Review if not relevant to this agreement)*

NOTICE TO CONTRACTOR: LIVING WAGE ORDINANCE

On November 1, 2016, the Board of Supervisors of the County of San Mateo adopted an Ordinance establishing a five-year living wage pilot program for service contracts entered into by the County. All contractors and subcontractors providing services under a County contract are subject to the Living Wage Ordinance (LWO). All Full-time, part-time, temporary, and permanent employees are covered under the LWO. Contracts entered into prior to January 1, 2017, are not subject to LWO. Compliance with the LWO will be voluntary for new contracts entered into between January 1, 2017, and March 31, 2017, inclusive. Contracts entered into on or after April 1, 2017, must comply with the LWO.

Enforcement of the LWO will be accomplished through oversight by the County, which retains the right to conduct random audits; through employee grievance rights; and through the legal process, if necessary. The County will set a single point of contact for employees to report LWO non-compliance by employers.

The purpose of these requirements contributes to the Shared Vision 2025 outcomes of a Prosperous and Livable Community by setting living wage rates for County service contracts. All efforts made to comply with these requirements are greatly appreciated.

Further details on all aspects of the LWO are included in the attached LWO.

Sincerely,

Behavioral Health & Recovery Services Contracting Department
